FAQ· Frequently Asked Questions

Q Will my account be charged for calls to these destinations made on March 27th, 2011?

A No. Calls to the U.S. and to *landlines* in other select destinations made on March 27th, 2011 will be paid for by a donation from the VFW. Calls to cell phone numbers in the selected destinations are not included.

Q How do I take advantage of the free calls?

A It's automatic for new and existing SPAWAR Internet Café subscribers. Place your call to a covered destination using your SPAWAR prepaid PIN. You will hear a greeting from your Free Call Day sponsor when calls are free.

Q What are my other calling options?

A If there's a SPAWAR Internet Café nearby and you don't have a SPAWAR account, you can call from the café using our phones and a nonsubscriber Free Call Day PIN, available from your café manager or customer service.

If there is no café nearby and if your command supports morale calls over DSN, a **DSN Free Call Day PIN option is available**. If you have permission from your command to use your unit's Class A DSN line, you should contact Operation Uplink (**Email: uplink@vfw.org**) soon to get a DSN Free Call Day PIN. On Free Call Day, provide the toll free access number to a Stateside DSN operator of your choosing and ask them to connect you. Once connected, simply enter the destination number and the DSN Free Call Day PIN. Your free call will be processed. PINs can be reused and used concurrently, so share this info with others in your unit.

NOTE: These options are available during Free Call Day hours ONLY. The nonsubscriber Free Call Day and DSN access PINs will only work during these Free Call Day periods (midnight to midnight Eastern Time). DSN Users: Your call may end prematurely as morale calls over DSN are often time-limited.

Q During what period will the free calls be offered?

A You can make a free call from midnight to midnight Eastern Time on Free Call Day. Local Free Call Day times:
Iraq: 0700hrs 03/27/11 thru 0659hrs 03/28/11
Afghanistan: 0830hrs 03/27/11 thru 0829hrs 03/28/11

Q What calls are included?

A All calls to the U.S. and to *landlines* in the other select destinations are included when they originate during the Free Call Day period. Calls to other countries and to cell phones in the select destinations will be charged at the standard rate.
